Presskit | LENI

Biography

The sound of LENI is characterized by deep basslines and an aesthetically flowing vibe. By throwing together a variety of genres, combined with long transitions, she succeeds in creating a diverse, thrilling and moving up- and downhill ride.

After moving to her adopted home Leipzig (Germany) in 2020, LENI joined the at this time newly founded ost:end collective, which was the beginning of something great. Since then she has not only been part of the collective as an artist and played at many well-known clubs and festivals all around Europe and worldwide, but also works in booking and event planning for the newly established club project „ost:end“.

Please announce the Artist as: **LENI (ost:end, Leipzig)**
